You have been stunned!

3rd person shooter mode

Dimenxian

Screenshots

Dimenxian

Pros

- Interesting cut scene
- Good graphics
- Very good help screens
- Explains problems by solving a demo
- Informative voice instructions

Dimenxian

Cons

- Game fairly predictable
- You can run through most of the obstacles
- It's pretty hard to stun the bad guys!
- Repeats same math concepts numerous times (which might be a good thing)

Food Force
